

## **Berkshire Bird Records - Restricted Species**

The publication of breeding season records of the following species are subject to restrictions to protect potentially breeding birds from persecution or disturbance. Restrictions that the Recorder may apply include a delay in adding a record to the open access online database or publication at a reduced resolution. Similar restrictions will apply to publication in the Birds of Berkshire annual report.

Black Redstart  
Montagu's Harrier  
Goshawk  
Hobby  
Stone-curlew  
Little Ringed Plover  
Long-eared Owl  
Short eared Owl  
Lesser Spotted Woodpecker  
Wood Warbler

Species may be added to this list from time to time by the Recorder who may be advised by the BOC's Conservation Subcommittee and the Berkshire Records Committee.
